

Discipleship Group Covenant

I truly believe that if you decide to be a part of this group for the next year this could be the most challenging but fulfilling spiritual season of your walk with Jesus. I believe that discipleship is best attained through small groups and life-on-life interaction based on the example of Jesus.

VISION

The vision of this group is to gather together with a small group of men and together learn to become more fully devoted followers of Jesus. There are four primary goals that are formed as a result of this mission that I prayerfully desire to see formed in each of us who are a part:

- 1. Men of private prayer and devotion**
- 2. Men who publicly make disciples and share their faith**
- 3. Men who are leaders for Christ in their spheres of influence**
- 4. Men who multiply and reproduce disciple-making disciples**

PRACTICAL STEPS

How will this be accomplished? In both weekly meetings and Outside weekly meetings!

Weekly Meetings:

- Approx. 1 hour in length.
- Time of accountability, prayer, and study of scripture.

Outside Meetings:

- Praying for and checking in on the spiritual and physical well-being of the other members.
- Pursuing Christ through the spiritual disciplines daily.
- Serving and being shaped by community through involvement in our local church.
- Spending time together outside of group meetings.
- Living on mission with the gospel.

EXPECTATIONS

In order for each of us to get the optimal benefit and spiritual growth from this group it will take the commitment of each member. Before joining this group please prayerfully take time to consider each of these qualifications:

- **Attendance:** I will commit to attending the group's weekly meeting unless providentially hindered, having read and journaled through the agreed-upon scripture passage.
- **Accountability:** I will commit to being honest and open with the other members of the group.
- **Confidentiality:** I will keep confidential those things that are shared in the privacy of the group.
- **Commitment:** I am committed to being a part of this group and investing myself in it for my own growth and the growth of the others involved.
- **Reproduction:** I will prayerfully consider starting my own discipleship group in the future.
