

WEEKLY *update*

May 19, 2024

Today at Olive, we honor our graduating high school seniors. This is always a great moment at church. These students are celebrating a huge accomplishment. We look forward with them to what is next in their lives. This will include college, jobs, military service, marriage and much more. Pray for them today as they take this step. Pray that they will be the generation that sees revival!

It was 27 years ago tonight that God changed my life forever. I am preaching about that today. From time to time, I mention David's mighty men. Today we look back and ask the Lord to raise up a generation that will stand for God in the days to come.

Next weekend we celebrate Memorial Day. Then summer is in our face. That means Vacation Bible School is just around the corner. Make sure to invite children to join us and serve if you are available.
